

## DigiCulTS Press Release 4 - November 2021

*Small and medium-sized enterprises (SMEs) are particularly challenged by the digital revolution: What are the challenges, opportunities and risks for them? The innovative EU project DigiCulTS is aiming to develop instruments that support the digitization process of SMEs.*

## DigiCulTS – What’s new?

### Partner meeting in Cala d’Or!

At the 21-22<sup>nd</sup> of October, the project partners met at the premises of Sea Teach in Cala d’Or, Spain. At this hybrid meeting with some partners online and some partners attending in person, the consortium discussed the next steps for further improvement of the **DigiCulTS Quick-Check**, the next steps for Modules 2 and 3, as well as the specialized Modules of the **DigiCulTS Online Course**, as well as the design and interface of the **DigiCulTS eLibrary**. All partners enjoyed meeting in person and the meeting was a success!

Project number: 2019-1-AT01-KA202-051522, Implementation period: 01.12.2019 – 31.05.2022

## What's next?

- All partners are currently translating the **DigiCulTS Quick-Check** into the partner languages. You can already try out the Quick-Check in English at the [DigiCulTS website!](#)
- Modules 2 and 3 of the **DigiCulTS Online Course** are being created and all partners are working on the specialized modules for the Nautical sector, Education, Agriculture, Crafts. Translations of the Modules 2 and 3 into the partner languages are being completed by the partners.
- All resources for the **DigiCulTS eLibrary** have been collected and the partners are working on the design and interface of this output.
- The promotional video has been created and is available at the DigiCulTS [website!](#)
